

OOPS..... We Stuffed Up March 2019!

The eagle-eyed amongst you might have already noticed (and thank you to those couple of members who brought it to our attention) that we have made an error in the layout of the days on the March Page of our 2019 Calendar. We are all disappointed by this as the calendar is certainly one of, if not the best we have ever produced.

The error quite simply is that we have not re-jigged the days for 2019 from the 2018 calendar and this was not detected despite numerous proof-reading processes. This has resulted in the printed 2019 calendar having the 1st of March 2019 on a Thursday, when in fact it should be on a Friday.

SOLUTIONS

However, the show must go on, so we offer you the following four solutions to rectify our error:-

Option 1: Log onto our website <https://hutsvictoria.org.au/product/2019-calendar-march-replacement-sticker/> and head to our online merchandise store and order (for free) a sticker that looks like this, which you can stick over the top of the header which alters the days of the week for March 2019 only.

You will notice that this replaces Monday with Tuesday and thus the month is different from the rest of the calendar but at least when you cross reference the day of the month with the day of the week you will be right!

Option 2: Grab your favourite red texta and make a correction similar to the one above, or re-number the whole month if you desire.

Option 3: Contact us via email to treasurer@hutsvictoria.org.au and we can send you the whole page as a PDF file that you can print out and stick over the top of the whole calendar page yourself.

Option 4: Email the treasurer for a full or partial refund (treasurer@hutsvictoria.org.au)

We sincerely apologise for this error, and do hope you find our resolutions satisfactory, however please do not hesitate to contact us with any further feedback to secretary@hutsvictoria.org.au. We thank you for your continued support of the Victorian High Country Huts Association.
